HISTORY OF HIP HOP

- Hip Hop is a stream of the youth dance subculture that originated in the early 1970s. The style developed in urban neighbourhoods and includes a series of social dances that were gradually developing from the hip hop culture, starting from the early 1970s to the present times. The style combines both the "battle" (dance battle), and the "dance party" (party dances) philosophies. The main aspect that unites these social dancing is a "groove". Dancers might find their own music style and their own character but "groove" and hip-hop philosophy remain unchanged.
- Some of the basic hip hop moves are: Smurf, The Prep, Reebok, The wop, Cabbage patch, Happy feet, The Fila, Criss-cross, Party machine, SpongeBob, Running man, Roger rabbit, Steve Martin, Burt Simpson, Pepper seed, BK bounce, Butterfly, Monastery, C-Walk, Bankhead bounce, Walk-it-out, Harlem shake, ATL Stomp, Tone Whop, Wrecking shop, Chicken noodle soap, Jerking, Get lite, Bucking, Jooking and many others (http://vk.com/topic-36490966_26639123)
- *It is expected that dancers' performance is not a sequence of micro-movements with little co-ordination but a smooth sequence of both fluid, fast and co-ordinated steps supported by good technique, expressiveness and an adequate costume.*
